WELCOME ORIENTATION

Students are invited to join us for an in-person **Welcome Orientation** on **September 1, 2022!**

Discover Canada Tours will be hosting the students on a driving city tour of **Vancouver!**

Students will be able to stop and see some of Vancouver's most famous attractions followed by a **Canadian-style BBQ lunch at Stanley Park!** After lunch, students can participate in a variety of activities.

More information about the time and location will be shared late **August!**

HOCKEY ACADEMY

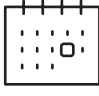

RPM's Pacific Rim Hockey Academy educates and develops students in both the physical and mental aspects required to excel in hockey. The school, RPM, along with students and parents, help design a personalized teaching plan to best meet each player's individual needs. Students are tested both on and off the ice monitoring their individual improvements.

SCHOOL SPOTLIGHT

Riverside is the only secondary school in Coquitlam and one of the few public schools in BC where all our students bring a tablet or laptop to school to integrate with their learning. **Riverside** believes students must have a strong knowledge of technology, problem-solving, communication, collaboration, creative, and critical thinking skills necessary for the 21st century. This helps students develop a positive digital profile to use for employment, scholarships, or post-secondary opportunities in the future.
