

INTERNATIONAL EDUCATION VOLUNTEER CONSENT FORM 2023

Volunteers for International Education are utilized as activity assistants. While volunteering, every volunteer is under the direct or indirect supervision of International Education Staff. By accepting the volunteer assignment, the volunteer and their parent/guardian accept the risks and potential consequences normally associated with the activity.

In the course of their duties, volunteers may be transported off campus on foot or by bus. The volunteer’s photo may be taken throughout the event for educational purposes and the photos may be used for educational advertisements in the future.

By signing this document, the parent and student confirm that they acknowledge, understand, and accept the information contained in this form. This acknowledgment and consent includes the risks and potential consequences of volunteering. This agreement is governed under the provisions of School District Procedure AP-250: Field Trips and School District Procedure AP-495: School Volunteers.
