

International Baccalaureate International Program Information Sheet

Students interested in the IB Diploma Programme must enter the program in grade 10 or grade 11. Students are expected to remain in the program through their grade 12 school year. Courses for grade 12 (DP2) do not get selected until part way through the students' grade 11 year.

The IB Programme at Port Moody Secondary School

The aim of all IB programmes is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

Informed by these values, an IB education:

- centres on learners
- develops effective approaches to teaching and learning
- works within global contexts
- explores significant content.

Working together, these four characteristics define an IB education.

Grade 10

Students coming to our Pre-Diploma Grade 10 year will complete the BC provincial curriculum and graduation requirements through selected Pre-Diploma classes in which there will be focus on skills and content needed to be prepared for the IB Diploma.

All students take the same common core of classes:

1. Pre-Diploma First Peoples Literary Studies 10
2. Pre-Diploma Social Studies 10
3. Pre-Diploma Foundations of Math and Pre-Calculus 10
4. Pre-Diploma Science 10
5. Physical Health Education 10

Students must choose to study a second language that they will continue with in the diploma for grade 11 and 12:

1. French 10
2. Spanish 10
3. Mandarin Chinese 10
4. Japanese 10

Students will also take Career Life Education (CLE) 10 and one elective class. Students who do not complete CLE 10 in grade 10 must complete it in summer school or online (for an additional cost) in order to graduate.

Students who meet the eligibility criteria may choose to enroll in either the full IB Diploma Programme or a Partial IB Programme.

Grade 11 (DP Year 1)

Students entering the IB Diploma Programme (**Grade 11**) at Port Moody must take one subject from each of the six subject groups below to earn their diplomas. Students must take 3 HL and 3 SL classes, or 4 HL and 2 SL classes.
